

## Year 1 & 2 Home Learning Autumn 2 - Exploration

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practice your times tables or spellings. Try to practise at least 3 times a week.

**HOMEWORK DUE DATE: Monday 16<sup>th</sup> December**

	11 <sup>th</sup> November			18 <sup>th</sup> November			25 <sup>th</sup> November			2 <sup>nd</sup> December			9 <sup>th</sup> December		
Counting in 2s, 10s															
Tricky Words															

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
<b>I enjoy reading, writing and speaking. COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>	Talk to your grown up about a person you think is important. What do they do / have done that is important? (Example: A prime-minister, a King or Queen).	Name and write the days of the week / months of the year.	Choose and read a non-fiction book. What facts did you find out?	Write a list of instructions for your morning / bedtime routine. Use numbers to show the steps.	Find out five facts about the moon and write them down.
<b>I enjoy being mathematical and scientific. COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>	Write a list of materials you would need to build a house.	How many different ways can you make 20? Example: $14 + 6 = 20$ , $17 + 3 = 20$ .	Take pictures of numbers that you see while out and about. Can you write these numbers as words? (Picture of house number 14, write down fourteen)	Group different materials in your home by their properties. (Example: cushions and blankets are soft; forks and spoons are hard)	Conduct an experiment on different materials, testing which material is the most waterproof.
<b>I enjoy being creative, painting, drawing and visualising.</b>	Perform a song to help you to remember the continents in the world.	Paint, draw or collage a landscape of a Polar Region. (Arctic or Antarctica).	Use junk modelling to create your own rocket for Neil Armstrong.	. Create a piece of Art inspired by Orla Kiely. 	Create a fact file on Neil Armstrong. Include facts and a picture.
<b>I enjoy being active and doing hands-on activities.</b>	Draw a hopscotch on the ground somewhere at home and practise counting while jumping. Challenge: Could you do it in 10s or 2s?	Throw a bean bag/tennis ball/something suitable into a bucket (or towards a target). How many times can you do it in 1 minute?	Build a den using different materials.	Create a finger puppet for someone at home. It could be based on a favourite book/film character	Using gymnastic shapes, created a sequence. (Shapes: star, straight, pike, straddle, tuck)
<b>I enjoy finding out about the world around me.</b>	Name some of the seasonal changes you notice around where you live.	Ask a grandparent or other grownup about someone significant from their past.	Use Google Earth, Google Maps or an Atlas to find out where Antarctica and the Arctic is.	Identify and label a world map with the names of the continents.	Find out five facts about the moon and write them down.
