

Year 1 and 2 Home Learning - Environment

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.

HOMEWORK DUE: Monday 10th February 2025

Tick the box when you practise your times tables. Try to practise at least 3 times a week

	6 th January			13 th January			20 th January			27 th January			3 rd February		
Counting in 5s, 10s															
Tricky Words															

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Tell someone everything you know about your favourite animal.	Read a book at the library. Is it fiction or non-fiction?	Make list of what an animal would eat. Is it a herbivore (plant eater), carnivore (meat eater) or omnivore (enjoys both)?	Create a poster or fact file on an animal and its habitat.	Create a poem about an animal.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Count in 2's, 5's or 10's.	Write all your number bonds to 20.	Create an animal out of different shapes. Can you name them and describe their properties?	If one animal had 3 claws on one foot, how many would 6 animals have? Make up some of your own number problems.	Create a camouflage background for an animal of your choice.
I enjoy being creative, painting, drawing and visualising.	Create an animal dance and perform it.	Create an animal out of fruit to eat.	Mould an animal out of a malleable material (things which can be transformed into different shapes and sizes such as clay, playdough).	Create a 3D model of an animal.	Make an animal jigsaw for your friend to make.
I enjoy being active and doing hands-on activities.	Can you move like an animal? Can you use different speeds/ movements?	How many jumps can you do in a minute?	Make an animal skeleton out of natural materials? E.g. twigs, stones.	Make an animal puppet.	Collect materials from a woodland walk and create an animal picture using your natural materials.
I enjoy finding out about the world around me.	What habitats are in England?	Find out where your favourite animal's habitat is in the world.	Describe your favourite animals' habitat.	Research an animal from the Rainforest. What new facts have you learnt?	Create a fact file about a habitat.
