

Year 3 Home Learning Summer 2 – Eastleigh Through Time

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from ‘I enjoy reading, writing and speaking’ and ‘I enjoy being mathematical and scientific’.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- **Tick the box when you practice your times tables or spellings. Try to practise at least 3 times a week.**

HOMEWORK DUE DATE: Monday 8th July

	3rd June	10th June	17 th June	24 th June	1 st July
Times table Practice					

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Use the letters in UNITED KINGDOM to write as many words as you can.	Write a thank you letter to someone who has done a great job or helped you in some way.	Create a poster or fact file all about Eastleigh that could be given to tourists coming to Eastleigh.	Create a list of books in which the authors last name begins with A, then B, all the way to Z. List all books in your HL book. Read one or more of these. Write a book review	Write your own newspaper report about Chandlers Ford. What can you find in CF? Can you find any historical facts? Add some old photos. When was Fryern School built? Try and use subheadings/ captions/photos/ introductions etc.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Rockstars Timetables. Log on and try to be the champion scorer in a battle.	Create a poster of everything you know about plants e.g. what they need to grow, where you can find different plants etc.	Make something in the kitchen which involves using a measuring jug. Be creative and enjoy eating it.	Plan and complete your own science experiment about something that you are interested in. Record your results.	Create a maths game to help you tell the time (in analogue and digital) or that includes all the operations (add, take away, times and divide).
I enjoy being creative, painting, drawing and visualising.	Design a new sports kit for a super sportsperson or an Olympian (e.g. an athlete, football player, tennis player etc.)	Draw what you think Eastleigh will look like in 100 years.	Create your own Matisse inspired painting out of different materials.	Design a game that is all about Eastleigh which could be played on a car journey. Write the instructions so we can play it in school!	Design and make your own futuristic vehicle for people in Eastleigh in the future.
I enjoy being active and doing hands-on activities.	Get a skipping rope; count how many times you can skip without missing. Try it again. Can you beat your score?	Take photos of yourself in various yoga poses.	Make some bubble solution, find some objects around the house to blow bubbles with such as straws, string etc.	Create a new outdoor game that you can play at home e.g. a game of ring toss with bottles.	For sports day, design your own activities that we could trial in school. We need instructions and diagrams.
I enjoy finding out about the world around me	Write all the animals you know and have a friend or family member do the same. Who can write the most in 5 minutes?	In one afternoon, how many birds can you spot out of your window? Can you name any of them?	Choose a flower or plant from your garden (if you don't have a garden, pick any plant). Find out everything you can about it.	Create a map of Eastleigh, labelling the places that you have been to and where you would like to go.	Create a fact file about a sacred book from another religion. We have found out about Christians and Sikhs' sacred books already.
