

Year 5 Home Learning Autumn 1 2024 – Anglo-Saxons and Vikings

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from ‘I enjoy reading, writing and speaking’ and ‘I enjoy being mathematical and scientific’.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practice your times tables and Spelling Shed. Try to practise at least 3 times a week.

HOMEWORK DUE DATE: Monday 4th November

PIT STOP to review progress: Monday 14th October

	23 rd September			30 th September			7 th September			14 th October			21 st October			28 th October		
Times table Practice																		
Spell Shed Practice																		

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Create a dictionary of funny words (about 5 words).	Practise your spelling shed assignments at least three times a week.	Write a poem about the seasons.	Produce a fact-file about a fairground through the ages.	Watch https://www.youtube.com/watch?v=kTU0gL6uzT0 and write a description in role as either the rider or a member of the audience.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Create a diary of your day including timings. Remember to be specific with your timings!	Measure 6 different things in your house in mm, cm and m.	Apply your measuring skills to follow a recipe. Draw or photograph the stages involved.	You win £100 on the lottery! Research what you would spend the money on. You MUST spend every penny. Use your addition and subtraction skills.	Research a famous scientist and create a fact file about their research.
I enjoy being creative, painting, drawing and visualising.	Draw a self-portrait.	Write a song or rap about one of the multiplication tables which will help us all revise them in the year.	Create a piranha using different artistic materials.	Write a song or rap about the Anglo-Saxons (look at Horrible Histories for inspiration). Write it up in your homelearning book and add suitable illustrations.	Design a new fairground ride. Please draw your ride and annotate the key features.
I enjoy being active and doing hands-on activities.	Draw pictures of chores you have completed around the home.	Make a daily diary for a week of how you and your family have been active.	Create a piece of art based on a piece of music. Write a short explanation to explain how the art represents the music.	Research an artist of your choice and then create a picture/sculpture in the style of their work.	Research an unusual sport which we currently do not learn at school. Create a presentation on how to play the sport.
I enjoy finding out about the world around me.	Design a poster to persuade people to take better care of woodland.	Find out how Winchester is linked to the Anglo-Saxons. Create a short fact page.	Take a photo or draw a picture of the same place 5 times throughout a day. How has it changed?	Create a timeline of the Kings and Queens since King Alfred the Great.	Plan an around the world trip. Where would you go and why? Present information about each place that you would visit.
