

Year 5 Home Learning Spring 1 – Ancient Greece

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practise your times tables and Spelling Shed. Try to practise at least 3 times a week. **HOMEWORK DUE DATE: Monday 10th February**
PIT STOP to review progress: Monday 20th January 2025

I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Write your own motto in Greek!	Write an alternative commentary to your favourite sporting moment and write it up in your book e.g. England football match.	Research a famous ancient Greek philosopher.	Write a newspaper article about a current event.	Research and draw or make your own monster and myth.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Use 2D shapes to create a tessellation.	Find and identify leaves from 6 different trees.	Design your ultimate dream house on a budget of £100,000 by shopping using the internet. Add up what you spend and don't go over budget!	Research and present the life cycle of a chosen animal.	Design a board game that includes mathematical skills like multiplication and number sequences.
I enjoy being creative, painting, drawing and visualising.	Use your photography skills to take arty pictures that represent the theme of plant growth.	Design and label a spring garden with at least four different types of flowers.	Design and create a motivational poster about your new year's resolution.	Create an image out of natural spring objects in the style of Andy Goldsworthy	Create a forest painting in the style of Gustav Klimt.
I enjoy being active and doing hands-on activities.	Record the time it takes to run around the garden or park, repeat 10 times and record your results in a line graph.	Join in with one of your family member's hobbies and write a recount of your experience.	Make a Greek salad. Write the instructions and take photos or draw each stage of making this dish.	Research and create a fact file about how the Ancient Greeks created the Olympics. Can you practise some of the events you find out about?	Create an obstacle course that could be used in the Ancient Greek Olympics in your back garden and have a go with your family. Draw this in your book and label.
I enjoy finding out about the world around me.	Find out where Greece is and list the surrounding countries.	Create a Greek dance - photograph or draw the moves.	Create a fact file about modern day Greece. Include facts about food, entertainment and culture.	Draw and label a map of the world's continents.	Create a model of an Ancient Greek pot.
