

## Year 6 Home Learning Autumn 1 – Marvellous Mayans!

- Children should complete one activity from each row worth of home learning. They can record their activities in their home learning book.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practice your times tables and spellings. Try to practise at least 3 times a week.

**HOMEWORK DUE DATE: Monday 4<sup>th</sup> November**

<b>Times table Practice</b>																		
<b>Spell Shed Practice</b>																		

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
<b>I enjoy being creative, painting, drawing and visualising.</b>	Design a Mayan Stela (sculpture).	Listen to one of the '10 pieces' from the BBC and create a piece of art in response to it. <a href="http://www.bbc.co.uk/programmes/articles/qt76WSzksPSPmkj9tbV0p9/the-pieces-and-composers">http://www.bbc.co.uk/programmes/articles/qt76WSzksPSPmkj9tbV0p9/the-pieces-and-composers</a>	Create a collage to depict the Mayan era.	Create a game using Scratch that involves keeping fit and healthy.	Mayan ceramics were a very important art form. Make a 3D Mayan pot with images around it. Photograph and share with the class.
<b>I enjoy being active and doing hands-on activities.</b>	Record all the different sports/activities you do over a week. Evaluate how they help you keep fit and healthy.	Measure your heart rate at different times throughout a day. Record the information in a table with an explanation of what you were doing at each point.	Research a recipe for a <b>healthy</b> breakfast. Make this breakfast for your family (with help) and photograph. Get one of your family members to review it!	Investigate a 'tutting' dance routine, draw a step – by – step guide and be prepared to teach the class! We will be doing this next term!	Research a Mayan building and re-create using your craft skills – take photos to share in class.
<b>I enjoy finding out about the world around me.</b>	Go for a walk in the woods or a forest and record all the living animals and plants that you see in the autumn.	Create a fingerprint world map.	Make a 'rubbish' rainbow using recycled waste to make your collage.	Create a 'list 5' game about places in the world – think of topics or places in the world and write a list of 5 things to do with that place that the game players will have to mention in under a minute.	Find out about another religion. Create a presentation about their key beliefs, traditions, celebrations and special dress.
