

# Year R Home learning Summer 1 – Magical Gardens

Our topic next half term will be 'Magical Gardens'. How many of the following activities can you complete?

Please either share your home learning with us on Tapestry or bring it into school by Monday 22nd May.

Collect different leaves, petals and other natural treasures. Can you collect all the colours of the rainbow?

Go on a spring walk and search for signs of new life. Talk about what you can hear, see, smell and feel. You could make a video of the sounds and sights that you discover.

Create a cress / grass head character! Use the vocabulary cress, seeds, plant/planting, grow, water, soil, cotton wool, damp, wet, pot, shell, sprout, shoot, seedling, stem and leaves.

Make a daisy chain.  
How long can you make it?

Talk about healthy and unhealthy foods. Visit a farm shop or greengrocers and discuss where fruits and vegetables come from, what they look like cut open and what they taste like. How many new foods can you try?

Read a fairy tale/traditional story with a grown up. Then act it out using puppets or family members!
