

Year R Home learning Summer 2 – Look at me now!

Our topic next half term will be 'Look at me now!'. How many of the following activities can you complete?

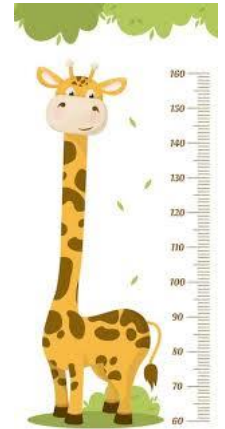

Please bring it into school by Monday 8th July.

Can you find a baby picture of you and a picture of you now! Can you describe how you have changed?

Draw a picture of what you want to be when you grow up. Can you label it?

Measure yourself now and again just before you hand in your home learning – how much have you grown?

Practise reading these common words (words we can't sound out):

put	is	the	go
they	my	and	are
has	his	into	with
of	as	me	you

Can you think of something you couldn't do when you started school but you can do now? Show us a photo, draw a picture or write about it.

Using a mirror, can you draw a self portrait?

Challenge: can you write any of these in your home learning book?
