

### **Toy Donations**

Mrs Herrick is looking for toys to sell on a stand at the Summer Fair. If you have any unwanted toys or books at home in good condition, she would be incredibly grateful for your donations. All of the proceeds will be donated to Guide Dogs for the Blind. Please bring any items to Dandelion Class in the infant school.

### **Fair Oak Junior School relay race**

Some of our Junior school children were invited to attend an inter school relay race at Fair Oak. The children who took part did an absolutely fantastic job and made our school very proud, especially our upper school boys who came 4<sup>th</sup> out of 33 schools in the area. A big thank you to all the children and staff involved. Also thank you to parents/carers/grandparents for taking the children and bringing them back.

### **Phonics reminder**

Please can all phonics wallets with their phonics folder and reading books be in school every day as we use them in phonics daily.

Please could you also take a look at home for any outstanding reading books? We have only sets of 6 and we seem to have quite a few books missing! Thank you

### **Business enterprise week**

After a few years of being unable to run our Business Enterprise Week within the junior school, we are delighted to announce that this year it is back the week commencing Monday 22<sup>nd</sup> May.

On the afternoon of Thursday 25<sup>th</sup> May, the children will sell their wares or services. This is a fabulous opportunity to encourage children not only to learn the value of money and making a profit but also to develop independence and confidence. We would really appreciate it if the junior children could bring in a small amount of pocket money (around £3.00-£4.00) to spend at the stalls as they will have the opportunity to browse the other stalls during the afternoon. Parents are welcome to come and visit the stalls from 2.30pm. Infant children will be able to be signed out from their classroom from this time to join their parents. The junior children will need to stay in school until the end of the school day as they will need to continue to run their stalls and help tidy up. Please see the letter sent out this week for more information.

### **Class Photos**

Class photos will be taken on Tuesday 23<sup>rd</sup> May. Please ensure your child has their Fryern jumper or cardigan in school with them.

### **Happy Birthday to Chandler's Ford library**

This week our pupils were involved in helping with the library's celebrations. Our Junior Choir performed three of their songs singing loudly with actions. Our Maypole dance team from Year 3 danced, creating a colourful web pattern around the Maypole. The sun was out & everyone had a wonderful time.

We would like to thank the audience who came to support us outside the library.

The children then went in to the library to admire the decorations. The large bunting style banners have been made by our pupils and feature the activities and services offered at the library.

Thank you to all involved in this.

### **Site safety**

For safety reasons, cycling anywhere on the school site is not permitted. Bikes/scooters/balance bikes etc should be walked in from an entrance and they can then be stored in one of the designated cycle racks if necessary and the same rules apply when leaving the school grounds.

## Governors update

The Full Governing Body (FGB) met on Monday this week. They noted the outturn for 2022/23 and set budgets for 2023/24 and were able to approve the procurement of new laptops. The FGB were grateful for previous prudent financial management which has generated resources that can be used now. The FGB will explore what more can be done to alleviate the cost-of-living impact on the school community. A highly enjoyable 'learning walk' in early May had allowed governors to experience first-hand how staff engage with and encourage pupils. Finally, the FGB were grateful for the engagement of staff, pupils and parents in creating the recruitment pack for the new Head Teacher.
