

The children have enjoyed a fantastic week of activities. Year 5 had an exciting trip to Winchester College to explore the river and Year 6 took part in a workshop to learn all about oil spills, as part of World Ocean Day on the 8th June. Special thanks to the Oil Response Team for leading the workshop and demonstration, the children really enjoyed it and learnt a lot. We have also had our first Friendship Club to welcome our new starters who will be joining us in September.

Summer Fayre

Just a reminder that the Acorns PTA Summer Fayre is this Saturday 10th June 11am – 3pm. Free entry with lots of fun activities, stalls and entertainment. We look forward to seeing you there and hope the sunshine holds out!

Hot Weather

To help cope with the hot weather, can you please ensure that all children come to school with a water bottle and sun hat. Can you also please make sure sun cream is applied in the morning before coming to school. Thank you.

Little Canada

If you have not yet returned a completed medical form for Little Canada can these please be handed into the office by Monday 12th June.

Stubbington 2024

We have a confirmed date of 17th - 21st June 2024 for the residential trip to Stubbington for next year's Year 5. We are in the process of booking a coach and will confirm the full price for the trip as soon as this is completed.

School Dinners

A reminder that from 5th June 2023 HC3S have increased the school meal price by 20p, from £2.80 to £3.00 for all meal types. In addition, chicken meatball sub has now been replaced by chicken meatball pasta for the week 3 menu.

Proof of address and Contact details

If you have recently moved house, please provide us with your new address. Proof of your new address must be provided in order for it to be changed on the school system to receive up to date correspondence. Similarly, if you have recently changed any contact details, please keep us up to date with this.

Change of SENCO

From September Mrs Ford will be taking on the roll of SENCO. She will be working closely with Miss Roberts for the remainder of this term to ensure a smooth transition for all our SEN children.

Driving & Parking

Please can we remind parents not to block local resident's driveways and to park safely & considerately at drop off and pick up. We have had some complaints from our neighbours recently. Also, police are aware that local residents have raised concerns around the driving of some of the parents as they enter Fryern Close. It appears that drivers are mounting the curb when they have a vehicle coming towards them as they enter Fryern Close. This section of the road is wide enough for two vehicles so please do not risk pedestrian safety. Many thanks.
