

Computer Explorers

A massive thank you to the team from Computer Explorers who came in this week to visit Year 6. All the children had a fantastic time playing laser quest!

Stubbington Open Day

Stubbington will be holding an open day on Saturday 1st July. This is a drop-in session and runs from 10am to 4pm. There is on-site parking and activities on the day (which are mostly free). It provides a great opportunity to see the centre and have a good look around and is great for any children that might be a little nervous about visiting a new place. Further information can be found on the website:

Early Birds & After School Club

We are now in the process of organising Early Birds and After School Club for September. If your child currently attends and you'd like to keep their sessions the same you do not need to do anything, their sessions will roll over automatically.

If you'd like to make any changes to your sessions please email Mrs Henson – ahenson@fryern.net

If you wish to sign your child up please collect a form from the office.
