

## Year 1 / 2 Home Learning Autumn 2 – Exploration

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from ‘I enjoy reading, writing and speaking’ and ‘I enjoy being mathematical and scientific’.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practice your times tables or spellings. Try to practise at least 3 times a week.

**HOMEWORK DUE DATE: Monday 15<sup>th</sup> December**

|                     | w/b 10 <sup>th</sup> November |  |  | w/b 17 <sup>th</sup> November |  |  | w/b 24 <sup>th</sup> November |  |  | w/b 1 <sup>st</sup> December |  |  | w/b 15 <sup>th</sup> December |  |  |

| Counting in 2s, 10s |                               |  |  |                               |  |  |                               |  |  |                              |  |  |                               |  |  |
| Tricky Words        |                               |  |  |                               |  |  |                               |  |  |                              |  |  |                               |  |  |

|   | 2 POINTS   | 4 POINTS  | 6 POINTS   | 8 POINTS  | 10 POINTS   |
|---|--|---|--|---|---|
| <b>I enjoy reading, writing and speaking.<br/>YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>     | Share a story with a grown up.   | Practise writing:<br>The days of the week<br>The months of the year   | Visit a library near you, can you find any books about oceans or explorers? Share and read it with the grown up who takes you.   | Write and perform a song all about the 5 oceans. How can you make it catchy so it is easy to remember?  | Imagine you are a mighty explorer! Write a postcard to someone at home explaining where you have been exploring and what you have discovered! |
| <b>I enjoy being mathematical and scientific.<br/>YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b> | Count how many steps it takes for you to walk from your front door, to your bedroom.<br>How many is it if you do this twice? | Where can you spot numbers when you are out and about?<br>(House numbers, signs, parking spaces)<br><br>Record the numbers you see. | Place a pot outside to collect rainwater. Each day check and see how much the water level changes?<br>What happens when the rain stops for a few days?<br>What happens when it gets very cold? | Observe and record the weather, what different types of weather did you see?  | Identify and write down 3 changes you can spot outside now that it is getting closer to Winter.   |
| <b>I enjoy being creative, painting, drawing and visualising.</b>   | I can make up a story and tell it to someone I live with.  | Create a collage using winter colours, (blue, black, white, silver)   | Draw a picture of planet Earth, label where the equator and different oceans are.  | Create and decorate a winter greeting card for someone special.   | Create a cave art inspired picture, using your hand and finger prints.  |
| <b>I enjoy being active and doing hands-on activities.</b>  | When the weather gets cold, and the grass frosts, what shapes can you go outside and make on the crunchy grass!              | Go on a wintery walk and collect some natural items. How are they different to Autumn objects?                                      | Think of a new Happy Breathing exercise, inspired by the techniques we already use at school. Show someone at home how to do it.   | Build a den using different materials. What material is best to make it black-out, what is best for keeping you warm, and which is best for camouflage? | Using the objects collected while on the wintery walk, create a piece of natural art inspired by Andy Goldsworthy.                            |
| <b>I enjoy finding out about the world around me.</b>   | Can you name or find out the names of the 5 oceans?<br>Write a list.   | Use Google Earth to find the equator of Earth. What is one country very close to the equator.                                       | Find out a country or place that has wintery weather all year long.  | Create timeline of significant things that have happened in your life so far. (starting school, baby sibling born, a special holiday, a special event)  | Research a famous explorer, what did they do that was significant? What did they discover?  |
