

## Year 4 Home Learning Spring 1

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- Tick the box when you practise your times tables or spellings. Try to practise at least 3 times a week.

**HOMEWORK DUE DATE: Monday 9<sup>th</sup> February**

|                             | 5 <sup>th</sup> January |  |  | 12 <sup>th</sup> January |  |  | 19 <sup>th</sup> January |  |  | 26 <sup>th</sup> January |  |  | 2 <sup>nd</sup> February |  |  |

| <b>Times table Practice</b> |                         |  |  |                          |  |  |                          |  |  |                          |  |  |                          |  |  |
| <b>Spelling Practice</b>    |                         |  |  |                          |  |  |                          |  |  |                          |  |  |                          |  |  |

|   | 2 POINTS   | 4 POINTS  | 6 POINTS   | 8 POINTS   | 10 POINTS  |
|---|--|---|--|--|--|
| <b>I enjoy reading, writing and speaking.<br/>YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b>     | Take a picture of you reading in an unusual place.   | Find a book about the Romans to read at home. Maybe Horrible Histories – Rotten Romans.   | Find out some more unusual facts about the Romans.   | Create a poster with mosaic borders for your unusual facts.  | Write your own 'Snow' poem. Use your senses to describe what it's like when it snows. Remember to include figurative language (similes, personification and metaphors).                                  |
| <b>I enjoy being mathematical and scientific.<br/>YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW</b> | Revise the 3,4,6,7,8 times tables. Teach your family how to use the number boards using paper. | Design and create a maths game that uses adding and subtracting. Use board games you have at home to help you.  | Create and do your own experiment about the digestive system or the teeth.   | Design and create a maths game that uses all 4 operations. It's a challenge!   | Design and make a simple musical instrument out of recycled materials that can make more than one sound. Explain how you made it and write 5 facts about your instrument including how it makes a sound. |
| <b>I enjoy being creative, painting, drawing and visualising.</b>   | Sketch or paint a picture of yourself.   | Take photographs of your favourite places or locations outside e.g., the beach, the New Forest and create your own calendar for the year using the pictures for each month. | Draw and colour your own Roman mosaic. Squared paper may help. You may wish to cut up coloured paper instead.  | Compare two different Roman mosaics. What colours are used, what patterns and/or pictures are used in each? Explain which you prefer and why. Maybe illustrate a section in your book. | Design and make a Roman house. Include furniture and mosaic floors. Add characters. Take a photo.  |
| <b>I enjoy being active and doing hands-on activities.</b>  | Over one week, keep a record of all the animals and birds that visit your garden.              | Create a bird feeder for the wild birds. Hang it in your garden and take a photograph.  | Choose a cake or biscuit recipe. Make it and write your own set of instructions.   | Create a mini assault course in your garden and test it out on your family. Draw a map of your assault course and label each activity.   | Plan a new fitness regime for you and your family. Keep a record of your progress. Keep a diary of your experiences and add photographs if you wish.   |
| <b>I enjoy finding out about the world around me.</b>   | List as many countries as possible that the Romans invaded.                                    | Create a fact file about modern day Rome. What key places should the tourists visit? Why?   | The Romans loved to grow herbs for medicines. Grow a type of herb and keep a diary of its progress. You might like to use a graph, photos or observational notes. E.g. Rosemary. | Select a country anywhere in the world. Find out some interesting facts about the country. Create an information book about this country include flags, landscape and traditions.      | Research a Roman invention that is still used today. E.g. Roads, aqueducts, sewage systems, central heating (hypocaust) Use Microsoft Word to produce a fact page about the invention.                   |
