Friday 16<sup>th</sup> May

**Fryern Federation Newsletter  
Summer Term #4**

**Year 6 SATS** – What a week! SATS are completed. We are extremely proud of all the Year 6 children this week. They have shown fantastic maturity and focus each day to give their best, which is all we ever ask. The tests were challenging, but every single one of them gave their all. We feel they really came together as a year group this week, and it has been so lovely to see them altogether in the mornings having breakfast, chatting away, giving each other support and encouragement. You would all have been very proud of them too. We are looking forward to enjoying our learning in the remaining weeks of term, as well as making more great memories doing all the Year 6 things we normally do (production, trips, leavers party etc.) which are so important at the end of the children's time here at Fryern. Thank you to the staff that have supported all the children throughout the year and to the kitchen staff for making their yummy breakfast this week.

**Charity Cake Sale** – On Friday 9<sup>th</sup> May some of our Year 6 children ran a cake stall after school where they sold cakes, sweets and played games to raise money for the 1st Chandlers Ford Scouts Brickfield big build. The boys are very proud to announce they raised a whopping £104.60. We are so proud of them. Thank you to everyone that supported such a great cause!

**Year 1/2 trip to Sea City Museum** - Year 1 and 2 enjoyed an amazing day at the Sea City Museum on Thursday. All the children had a tour of the museum from a very knowledgeable guide as well as some brilliant workshops which included sinking ships and building lifeboats.

The children used their knowledge of the Titanic events and aftermath to boost their experience even more! They made all the staff and parent helpers very proud with how they showed their previous learning and how they represented themselves and Fryern Infant School.

### **YR parent meeting**

Thank you to all those who attended the meeting to find out more about transition into KS1 and how we teach our exciting KS1 curriculum through a play-based approach. The presentation will be sent out to all YR families next week along with a brief questionnaire that we would be grateful you could complete. If you have any further questions, please arrange a time to speak to Miss Piggin or Mrs Brooks through the school office.

**Year 4 Swimming-** Year 4 have had a great week swimming. We have been incredibly proud of their enthusiasm, resilience and, in some cases, bravery! We would like to give a special mention to blue group in Serval class to celebrate their amazing butterfly strokes.

All the children have made progress and have had a lot of fun throughout the week. They will all be receiving a certificate next week.

**Parking Reminder** - Parking restrictions near schools, often marked by "School Keep Clear" zigzag lines, are crucial for safety and traffic flow during drop-off and pick-up times. These restrictions prevent vehicles from stopping or parking on designated areas, ensuring clear pathways for pedestrians and emergency services.

We have had reports this week of Fryern parents parking at Fernhill assisted living residence which unfortunately prevented an ambulance from gaining emergency access to the building.

Can we politely ask that our parents park mindfully and respectfully at all times. Thank you for your support.

**Outstanding Payments** - As we are nearing the end of the term, please can we ask that all outstanding payments are settled on Arbor and Scopay.

**Lost property** - We have lots of unclaimed lost property. If your child has lost anything please do not hesitate to come to the office area and check through the four-drawer lost property unit.

At the end of every term any unclaimed/unnamed lost property will be donated to the PTA uniform sale or put in the charity clothes bin located on site. Many thanks

**Guide Dog collection** – Mrs Herrick will be running a toy sale one day after school in June, date TBC. If you have any toys to donate, we would greatly appreciate it although no books please. All proceeds will be donated to the Guide Dogs for the blind.

**Ticks** – As the weather has got warmer and the children are now playing on the school field more often, please regularly check your child for ticks.

**Water Bottles** – As the weather is warming up, please can all children bring in a water bottle and sun hat. Please apply long lasting sun cream to children before school.

**Workers of the week**

YR: Amiyah, Chloe, Nico, Emil

Y1/2: Izzy, Oliver, Dorothy, Emilia, Phoebe F, Phoebe D, Casper

Y3: Luke, Issac, Jacob, Jessica, Chloe
