

Year 4 Home Learning Spring 2

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from 'I enjoy reading, writing and speaking' and 'I enjoy being mathematical and scientific'.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.
- **Tick the box when you practise your times tables or spellings. Try to practise at least 3 times a week.**

HOMEWORK DUE DATE: 31st March 2025

Times table Practice																		

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Create a fabulous page in your reading log.	Draw a picture of a favourite book character and write a description of them using adjectives. Write about their appearance and their personality.	Write a descriptive poem about a setting of your choice (Beach, forest, castle, palace). Try to include similes, metaphors or personification.	Create an audio story for your class to listen to. Use expression whilst reading and choose your book carefully so that it takes no more than 10 minutes to read it.	Pretend that you are spring-cleaning the garage and you find an old wooden box. Write a short story (no more than 500 words) its contents.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Learn your next times table challenge and use times tables Rock Stars. Ask someone to test you at home each day for a week.	Make up your own catchy song to help you remember the multiplication and division facts of a times table you find tricky.	Design and create a maths game that uses multiplication and division facts.	Ask an adult to help you with some science experiments. There are some ideas on www.sciencekids.co.nz/experiments.html	Create a fact file on your favourite plant. Where you would find this plant and what it might be used for?
I enjoy being creative, painting, drawing and visualising.	Try out a meditation session, record in your book how it made you feel.	Design and make a piece of jewellery from items that you have at home.	Create a costume for a Horrible Histories character in the Awful Egyptians series. Is your character based on a real ancient Egyptian?	Create some string painting art using paper, string and paint. (Place string on the paper, put paint on top and pull the string off to create the image).	Using a shoebox, make a model of your perfect garden. Be as creative as you can by using materials from around your home.
I enjoy being active and doing hands-on activities.	Ask your parents to give you a job to do around the house once a week e.g. washing up/polishing surfaces. Keep a record of your achievements.	Plant some seeds, bulb or herbs in pots. Photograph them as they grow.	Think of some things that you would like to grow in a vegetable patch. Create a mini recipe book to show how you could use the things you have grown.	Create your own at-home fitness workout (in the style of Joe Wicks) which you and your family can do each day. Record the exercises in your book and timings.	Create an Easter Egg hunt for someone in your family to complete. Include at least 8 clues.
I enjoy finding out about the world around me	Draw the flag of Egypt. Use the correct colours.	Draw a map of Egypt. Include the main cities and 2 famous landmarks.	Create a fact file about modern day Egypt. Include facts about key traditions and food.	Go on a sensory walk with an adult. Take a notebook and record what you can see, hear and smell. Photograph any signs of spring.	List the 7 continents of the world. Choose one continent to research. Include facts about the landscape, the weather, plants and animals and major cities.
