

Year 5 Home Learning Spring 2 – Volcanoes

- Children should complete at least 20 points worth of home learning. They can record their activities in their home learning book.
- They must complete at least one activity from ‘I enjoy reading, writing and speaking’ and ‘I enjoy being mathematical and scientific’.
- Photographs of practical projects are welcomed and can be incorporated into their book if you wish to do so.
- Please shade in the projects that you have undertaken this half term.

HOMEWORK DUE DATE: 31st March 2025

Tick the box when you practise your times tables or spellings. Try to practise at least 3 times a week.

Times table Practice																		

	2 POINTS	4 POINTS	6 POINTS	8 POINTS	10 POINTS
I enjoy reading, writing and speaking. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Practise your spelling shed assignments at least twice a week.	Create anagrams of famous volcanoes to decipher.	Write a speech campaigning to introduce a new event in the Olympics.	Write an information text about a famous Volcano in the world.	Write a poem describing the appearance of a Volcano. Include some figurative language.
I enjoy being mathematical and scientific. YOU MUST COMPLETE AT LEAST ONE ACTIVITY FROM THIS ROW	Complete a soundcheck on your Times Table Rockstars account.	Take a picture or draw an image of objects that represent fractions around your house (at least 5 examples).	Research and compare the statistics related to the three largest volcanoes in the world.	Create a biography of David Attenborough.	Research and present key facts about an animal that lives in the Himalayan Mountains.
I enjoy being creative, painting, drawing and visualising.	Create a poster on what makes a good friend.	Create an alternative front cover for your favourite book.	Draw and label a picture of how to move like a wolf, including: hunting, playing, resting.	Make a volcano collage.	Create a 3D model of a house for Torak. What materials would be available, how would he make it? Include labels and descriptions.
I enjoy being active and doing hands-on activities.	Create your own fitness circuit that we could use in a fitness session in PE. Record in your home learning book.	Create a survival guide for living in your house.	Go on a woodland walk and create a list of all the birds, animals and insects you find.	Make a survival pack lunch including everything you would need to survive in the woods like Torak from ‘Wolf Brother’.	Design and complete an investigation about what a plant needs to grow e.g. Can cress seeds grow on tissues? Do seeds need sunlight to grow? What happens if you water seeds with coloured water?
I enjoy finding out about the world around me.	Make a fact file about Easter. How do Christians celebrate this festival and why?	Write about something you have seen in nature in the style of a nature programme voiceover.	Grow a plant and record the stages of its growth. Create a graph plotting its growth.	Create a colourful artwork to represent a forest which Torak might live in.	Research and create a presentation about 3 famous mountains around the world. Be as creative as possible with your presentation (posters, PowerPoint presentation, leaflets).
